Experience It! The Northern Lights

Each year, during the winter months, travelers journey to Iceland and venture out into the dark to see the magical but elusive northern lights (aurora borealis). This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere; the results are spectacular! Streaks of colorful light appear across the sky. The colors can vary from white to pink or purple and, most commonly, green. It is known that the best time to witness the lights in Iceland is from late September to mid-April, when the nights are the longest. This light show is truly dazzling and worth the pursuit.

Please Note:

Single accommodations are limited and are available on a first come, first served basis.

The days and order of sightseeing may change to best utilize your time on tour.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Museum visits and shopping may be affected by observance of religious or local holidays.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers.

Please note that all transfers will leave at pre-scheduled times.

Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods.

*The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. As this tour is weather dependent, sightings of the northern lights are not guaranteed.

**The northern lights cruise is weather dependent and may be cancelled in the event of serious weather.

Because the northern lights are a winter event, you will be walking and waiting outdoors while

looking for them. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves.

This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to flight schedules, a post night may be required in some Iceland Air gateway cities (at an additional cost). Please inquire at time of reservation.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of \$500 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of August 03, 2018 are based upon availability. Final payment due by December 12, 2018. Deposits are refundable up until August 10, 2018.
